GREAT GARDENS TO VISIT IN ONTARIO

Southern Ontario has an abundance of exotic and beautiful gardens, and avid traveler and photographer Frank Kershaw will share some of his favourites with us at our March 2nd general meeting. Frank's "Great Gardens to Visit in Ontario" pictorial presentation will reveal many horticultural gems located within a 4-hour drive of the GTA.

Will the Royal Botanical Gardens or Celtic Dream Gardens, visited by our society last July, be among the destinations included in Frank's slideshow? I guess we'll have to wait and see!

Armed with degrees from the Universities of Toronto and Guelph; more than thirty years of experience in the parks, environment and horticultural fields; and a fabulous sense of humour; Frank is an engaging and in-demand speaker at venues that include the Toronto Botanical Garden, Canada Blooms and George Brown College.
